

THE ONLY BRACE
DESIGNED SPECIFICALLY TO TREAT
ACUTE
ANKLE INJURIES

TREAT HIGH ANKLE INJURIES
QUICKLY BRACE IN-GAME ANKLE INJURIES

HOW IT WORKS

The only acute injury ankle brace of it's kind – the Ultra CTS® Custom Treatment System from Ultra Ankle® features a hinged-cuff design with removable PerformaFit upright.

Solve three problematic ankle injuries with the Ultra CTS®:

- Syndesmotic
- In-Game
- Acute

QUICKER, SAFER AND MORE FUNCTIONAL TRANSITION BACK TO ACTIVITY

The Ultra CTS[®] is an active extension of your walking boot transition protocol. Full PF & DF promotes active rehabilitation to quickly regain ankle ROM and strength. Detach the upper cuff section when more mobility is prescribed.
